

Underpainting techniques & Mixed Media painting NSAL Spring 2022

Robin Samiljan

This class will explore a variety of materials and mediums and will assist students in discovering their instinctive creative self. You will learn different underpainting techniques that can be combined with encaustic or soft pastel. The supply list covers a wide range of materials and students can pick and choose their preferences during each class.

When: 4/22 - 6/3 (7classes)

Time: Fridays, 1:00-4:00pm

Supply List

- **Please note about supplies:**

Students are not required to bring an electric griddle and encaustic medium if you intend to only focus on underpainting techniques but then you will need painting panels, sanded pastel papers or boards and soft pastels. You will have an opportunity to decide on additional materials once they are introduced in class.
